

THE AFRICA-EU PARTNERSHIP  
LE PARTENARIAT AFRIQUE-UE

## INVITATION TO REGISTER

The Co-Chairs of the **Research&Innovation Partnership on 'Climate Change and Sustainable Energy'** of the AU-EU High-Level Policy Dialogue on Science, Technology and Innovation are pleased to announce their first workshop on **16-17 February 2021**. The workshop will take place online.

The workshop focuses on Climate Change and Sustainable Energy in relation to:

1. COVID-19 recovery and resilience packages (Day 1)
2. Health-energy climate nexus (Day 2)

You are kindly invited to **register here by 5th February 2021**. With the subsequent confirmation of your participation by the coordinators of the workshop, you will receive the log-in details.

A draft programme and a background document on the HLPD are attached to this mail for more information.

For further queries please contact the International Service Facility in Support of Cooperation in Research and Innovation: **[HLPD-Support@dlr.de](mailto:HLPD-Support@dlr.de)**

Sincerely,

**Leah Wanambwa Naess**
